DOG LOGIC

A pooch's guide to dogs behaving badly

By Robyn Osborne

We still don't understand why Honey bit us. We gave him everything. What an ungrateful little dog. After that episode, we decided to put him back outside with the other dogs, but he just couldn't get along with them. In the end, we had to surrender him to the pound.

Mr and Mrs Thick - Honey's humans

Keen to turn your disobedient dog into the perfect pooch? Tired of man's best friend ending up in the doghouse? Why not take an informative and entertaining walk on the wild side, with *Dog Logic*, a unique view of the world, one that is both canine created and related.

Whether your best friend is a blue blood or a bitser, *Dog Logic* has them licked. Should you let sleeping dogs lie, exactly who is top dog and can you teach old dogs new tricks? *Dog Logic* helps get you on the right scent and ensures you're not barking up the wrong tree. And who better to take you on a journey deep into the canine world, but a member of the pack himself; Sox, the quintessential Aussie cattle dog and four legged philosopher.

With 19 chapters covering issues from barking, beds and biting, to worrisome walks and everything in between, Sox offers his humorous but practical advice on resolving your doggy dilemmas. Supported with terrific tips from Bark Busters, each chapter provides both canine and twolegged advice that is fun, uplifting and relevant.

As a RSPCA puppy who overcame a difficult start to life, Sox is proof that a dog from the wrong side of the pound can achieve greatness. As the creative canine consultant to *Dog Logic*, Sox is no stranger to fame having written a regular full page column in *bark! Australia* magazine.

Combining the creative genius of Sox the Philosophical Pooch, and his human assistant, Robyn Osborne, *Dog Logic* is the must have book for anyone searching for the ideal canine companion.
