

Midget Bones' Diary

*The year I went from shelter
oldie to my forever home*

ROBYN OSBORNE

FOR TEENS

Midget Bones' Diary

Author: Robyn Osborne

Publisher: Puppy Care Education

Available at: Smashwords, Amazon and Kobo

Price: US\$2.99 (approx. AU\$3.85)

Suitable for: Teenagers to adults

Robyn Osborne has released a fun new book that follows a feisty shelter dog from the pound and how she manages to find her forever home. Currently on sale as an eBook, the tale is written in a diary format and is loosely based on Robyn's own terrier mix, Snowy. Definitely a must-read for those looking for a hilarious take on what rescue dogs think when they are adjusting to life outside the pound.
